Article 4 - LOCATION:

Data processing activities will be done in a manner that complies with applicable data privacy laws and regulations, including the European Union General Data Protection Regulation (GDPR) and the California Consumer Privacy Act (California Act). The location where the data processing activities take place is as follows: Google Cloud.

Your General Data Protection Regulation ("GDPR") Rights

If you are located within the European Union ("EU"), you are entitled to certain rights under the GDPR. You have the right to: (i) Know how long we will keep your information; we will keep your information until the earlier of: (a) your request to delete your information

or (b) the company decides it no longer needs the data and the cost of retaining it outweighs the value to keeping it; (ii) Access, rectify or erase your personal information; (iii) Withdraw your consent to the Company's processing of your data, which shall have no effect on the lawfulness of the processing of your personal information prior to your withdrawal; (iv) Lodge a complaint with a supervisory authority that has jurisdiction over GDPR issues; and (v) Provide only your personal information which is reasonably required to enter into a contract with us. We will not ask for your consent to provide unnecessary personal information on the condition of entering into a contractual relationship with the Company.

California Consumer Privacy Act

California law requires that MindMe.net Corporation provides the User with a summary of User's privacy rights under the California Online Privacy Protection Act ("California Act") and the California Business and Professions Code. As required by the California Act, this privacy policy identifies the categories of personally identifiable information that MindMe.net Corporation collects through our website about individual consumers who use or visit our website and the categories of third-party persons or entities with whom such personally identifiable information may be shared.

Depending on the visitor's activity at our website, certain "personally identifiable information" (as that term is defined in the California Act) may be collected, in addition to information set forth in other sections of this document. For purposes of the California Act, the term "personally identifiable information" means individually identifiable information about an individual consumer collected online by MindMe.net Corporation from an individual and maintained by MindMe.net Corporation in an accessible form, and may include any of the following:

- (a) A first and last name.
- (b) A home or other physical address, including street name and name of a city or town.
- (c) An email address.
- (d) A telephone number.
- (e) Any other identifier that permits the physical or online contacting of a specific individual.
- (f) Information concerning a user that the website collects online from the user, and maintains in personally identifiable form, in combination with an identifier described within this privacy policy.

See Article 14 below entitled "Modifying, Deleting, and Accessing your Information" for a description of the process maintained by the MindMe.net Corporation for an individual consumer who uses or visits our website to review and request changes to any of his or her personally identifiable information that is collected through our website.

See Article 14 below for a description of the process by which MindMe.net Corporation notifies consumers who use or visit its website of material changes to the Privacy Policy.

Article 5 - MODIFICATIONS AND REVISIONS:

We reserve the right to modify, revise, or otherwise amend this Privacy Policy at any time and in any manner. If we do so, however, we will notify you and obtain your consent to the change in processing. Unless we specifically obtain your consent, any changes to the Privacy Policy will only impact the information collected on or after the date of the change. It is also your responsibility to periodically check this page for any such modification, revision, or amendment.

Article 6 - THE PERSONAL DATA WE RECEIVE FROM YOU:

Depending on how you use our Website, you will be subject to different types of Personal Data collected and different manners of collection:

a) Registered users: You, as a user of the Website, may be asked to register in order to use the Website.

During the process of your registration, we will collect some of the following Personal Data from you through your voluntary disclosure:

- IV) receiving general emails from us

By undergoing the registration process, you consent to us collecting your Personal Data, including the Personal Data described in this clause, as well as storing, using, or disclosing your Personal Data in accordance with this Privacy Policy.

b) Unregistered users: If you are a passive user of the Website and do not register for any purchases or other service, you may still be subject to certain passive data collection ("Passive Data Collection"). Such Passive Data Collection may include through cookies, as described below, IP address information, location information, and certain browser data, such as history and/or session information.

c) All users: The Passive Data Collection that applies to Unregistered users shall also apply to all other users and/or visitors of our Website or.

d) Sales & Billing Information: In order to purchase any of the services on the Website, you will be asked to provide certain credit information, billing address information, and possibly additional specific information so that you may be properly charged for your purchases. This payment and billing information may be stored for the following period: 5 years. If so, it will be used exclusively to assist you with making future purchases with us.

e) Related Entities: We may share your Personal Data, including Personal Data that identifies you personally, with any of our parent companies, subsidiary companies, affiliates, or other trusted related entities.

However, we only share your Personal Data with a trusted related entity if that entity agrees to our privacy standards as set out in this Privacy Policy and to treat your Personal Data in the same manner that we do.

f) Email Marketing: You may be asked to provide certain Personal Data, such as your name and email address, for the purpose of receiving email marketing communications. This information will only be obtained through your voluntary disclosure and you will be asked to affirmatively opt-in to email marketing communications.

g) User Experience: From time to time we may request information from you to assist us in improving our Website, and the Services we sell, such as demographic information or your particular preferences.

h) Combined or Aggregated Information: We may combine or aggregate some of your Personal Data in order to better serve you and to better enhance and update our Website or Mobile Application for your and other consumers' use.

We may also share such aggregated information with others, but only if that aggregated information does not contain any Personal Data.

Article 7 - THE PERSONAL DATA WE RECEIVE AUTOMATICALLY:

Cookies: We may collect information from you through automatic tracking systems (such as information about your browsing preferences) as well as through information that you volunteer to us (such as information that you provide during a registration process or at other times while using the Website, as described above).

For example, we use cookies to make your browsing experience easier and more intuitive: cookies are small strings of text used to store some information that may concern the user, his or her preferences or the device they are using to access the internet (such as a computer, tablet, or mobile phone). Cookies are mainly used to adapt the operation

of the site to your expectations, offering a more personalized browsing experience and memorizing the choices you made previously.

A cookie consists of a reduced set of data transferred to your browser from a web server and it can only be read by the server that made the transfer. This is not executable code and does not transmit viruses.

Cookies do not record or store any Personal Data. If you want, you can prevent the use of cookies, but then you may not be able to use our Website as we intend. To proceed without changing the options related to cookies, simply continue to use our Website.

Technical cookies: Technical cookies, which can also sometimes be called HTML cookies, are used for navigation and to facilitate your access to and use of the site. They are necessary for the transmission of communications on the network or to supply services requested by you. The use of technical cookies allows the safe and efficient use of the site.

You can manage or request the general deactivation or cancelation of cookies through your browser. If you do this though, please be advised this action might slow down or prevent access to some parts of the site.

Cookies may also be retransmitted by an analytics or statistics provider to collect aggregated information on the number of users and how they visit the Website. These are also considered technical cookies when they operate as described.

Temporary session cookies are deleted automatically at the end of the browsing session - these are mostly used to identify you and ensure that you do not have to log in each time - whereas permanent cookies remain active longer than just one particular session.

Third-party cookies: We may also utilize third-party cookies, which are cookies sent by a third-party to your computer. Permanent cookies are often third-party cookies. The majority of third-party cookies consist of tracking cookies used to identify online behavior, understand interests, and then customize advertising for users.

Third-party analytical cookies may also be installed. They are sent from the domains of the aforementioned third parties external to the site. Third-party analytical cookies are used to detect information on user behavior on our Website. This place anonymously, in order to monitor the performance and improve the usability of the site. Third-party profiling cookies are used to create profiles relating to users, in order to propose advertising in line with the choices expressed by the users themselves.

Profiling cookies: We may also use profiling cookies, which are those that create profiles related to the user and are used in order to send advertising to the user's browser.

When these types of cookies are used, we will receive your explicit consent.

Support in configuring your browser: You can manage cookies through the settings of your browser on your device. However, deleting cookies from your browser may remove the preferences you have set for this Website.

For further information and support, you can also visit the specific help page of the web browser you are using:

- Internet Explorer: <http://windows.microsoft.com/en-us/windows-vista/block-or-allow-cookies>
- Firefox: <https://support.mozilla.org/en-us/kb/enable-and-disable-cookies-website-preferences>
- Safari: <http://www.apple.com/legal/privacy/>
- Chrome: <https://support.google.com/accounts/answer/61416?hl=en>
- Opera: <http://www.opera.com/help/tutorials/security/cookies/>

Log Data: Like all websites and mobile applications, this Website also makes use of log files that store automatic information collected during user visits. The different types of log data could be as follows:

- internet protocol (IP) address;
- type of browser and device parameters used to connect to the Website;
- name of the Internet Service Provider (ISP);
- date and time of visit;
- web page of origin of the user (referral) and exit;
- possibly the number of clicks.

The aforementioned information is processed in an automated form and collected in an exclusively aggregated manner in order to verify the correct functioning of the site, and for security reasons. This information will be processed according to the legitimate interests of the Data Controller.

For security purposes (spam filters, firewalls, virus detection), the automatically recorded data may also possibly include Personal Data such as IP address, which could be used, in accordance with applicable laws, in order to block attempts at damage to the Website or damage to other users, or in the case of harmful activities or crime. Such data are never used for the identification or profiling of the user, but only for the protection of the Website and our users. Such information will be treated according to the legitimate interests of the Data Controller.

Article 8 - THIRD PARTIES:

We may utilize third-party service providers ("Third-Party Service Providers"), from time to time or all the time, to help us with our Website, and to help serve you.

We may use Third-Party Service Providers to assist with information storage (such as cloud storage).

We may provide some of your Personal Data to Third-Party Service Providers in order to help us track usage data, such as referral websites, dates, and times of page requests, etc. We use this information to understand patterns of usage of, and to improve, the Website.

We may use Third-Party Service Providers to host the Website. In this instance, the Third-Party Service Provider will have access to your Personal Data.

We may use Third-Party Service Providers to fulfill orders in relation to the Website.

We may allow third parties to advertise on the Website. These third parties may use cookies in connection with their advertisements (see the "Cookies" clause in this Privacy Policy).

Some of our Third-Party Service Providers may be located outside of the United States and may not be subject to U.S. privacy laws. The countries or regions in which our Third-Party Service Providers may be located include:

Worldwide

We only share your Personal Data with a Third-Party Service Provider if that provider agrees to our privacy standards as set out in this Privacy Policy. However, we are not responsible for the policies or practices of third parties.

Your Personal Data will not be sold or otherwise transferred to other third parties without your approval.

Notwithstanding the other provisions of this Privacy Policy, we may provide your Personal Data to a third party or to third parties in order to protect the rights, property, or safety, of us, our customers or third parties, or as otherwise required by law.

We will not knowingly share your Personal Data with any third parties other than in accordance with this Privacy Policy.

If your Personal Data might be provided to a third party in a manner that is other than as explained in this Privacy Policy, you will be notified. You will also have the opportunity to request that we not share that information.

In general, you may request that we do not share your Personal Data with third parties. Please contact us via email, if so. Please be advised that you may lose access to certain services that we rely on third-party providers for.

Article 9 - HOW PERSONAL DATA IS STORED:

We use secure physical and digital systems to store your Personal Data when appropriate. We ensure that your Personal Data is protected against unauthorized access, disclosure, or destruction, consistent with current industry standards.

Please note, however, that no system involving the transmission of information via the internet, or the electronic storage of data, is completely secure. As a result, while we strive to protect your Personal Data, you acknowledge that: (a) there are security and privacy limitations of the Internet which are beyond our control; (b) the security, integrity and privacy of any and all information and data exchanged between you and us through this Website or Mobile Application cannot be guaranteed; and (c) any such information and data may be viewed or tampered with in transit by a third party. We take all reasonable steps to protect your Personal Data.

The systems we use to store your information include but are not limited to:

Google Cloud

Personal Data is stored throughout your relationship with us. Access by you to your Personal Data is available through a password and unique user ID selected by you. This password is encrypted. We recommend that you do not divulge your password to anyone. We delete your Personal Data upon request for cancellation of your account or other general request for the deletion of data.

In the event of a breach of your Personal Data, you will be notified in a reasonable time frame, but in no event later than two weeks, and we will follow all applicable laws regarding such breach.

Article 10 - PURPOSES OF PROCESSING OF PERSONAL DATA:

We primarily use your Personal Data to help us provide a better experience for you on our Website and to provide you the services and/or information you may have requested, such as use of our Website.

Information that does not identify you personally, but that may assist in providing us broad overviews of our customer base, will be used for market research or marketing efforts. Such information may include, but is not limited to, interests based on your cookies.

Personal Data that may be considering identifying may be used for the following:

- a) Improving your personal user experience
- b) Communicating with you about your user account with us
- c) Marketing and advertising to you, including via email
- d) Fulfilling your purchases
- e) Providing customer service to you

- f) Advising you about updates to the Website or related Items

Article 11 - DISCLOSURE OF PERSONAL DATA:

Although our policy is to maintain the privacy of your Personal Data as described herein, we may disclose your Personal Data if we believe that it is reasonable to do so in certain cases, in our sole and exclusive discretion. Such cases may include, but are not limited to:

- a) To satisfy any local, state, or Federal laws or regulations
- b) To respond to requests, such discovery, criminal, civil, or administrative process, subpoenas, court orders, or writs from law enforcement or other governmental or legal bodies
- c) To bring legal action against a user who has violated the law or violated the terms of use of our Website
- d) As may be necessary for the operation of our Website
- e) To generally cooperate with any lawful investigation about our users
- f) If we suspect any fraudulent activity on our Website or if we have noticed any activity which may violate our terms or other applicable rules.

Article 12 - CHILD ACCESS:

You must be at least 18 years old and have the legal capacity in your jurisdiction to have our permission to use our Website or Mobile Application.

If you do not have the legal capacity or are otherwise restricted under applicable laws and/or you live in or are subject to an age restriction in your jurisdiction, you must obtain permission from your parents(s) or legal guardian(s) to use our Website or Mobile Application. Parent(s) or legal guardian(s) are responsible for: (i) all actions in connection with a child's access to our Website; (ii) compliance with this policy; and (iii) ensuring that their child's use of the Website or Mobile Application will not, in any event, result in any violation of applicable laws and regulations relating to child protections.

If you believe that we have personal data about or collected from a child under the relevant age, contact us at: support@mindme.net.

The information we may collect from children, with parent or guardian authorization, is as follows:

- Name, gender, date of birth/age, address, telephone, email address

We do not allow children to make their Personal Data publicly available.

Information collected from children in accordance with this clause is collected to help us enhance all user experiences and to improve our Website.

It is also collected for the specific purpose of the following:

- Personal mental wellness assessment

We do not require children to disclose any further information than is reasonably necessary to interact with our Website.

Parents or guardians of minor children may review the Personal Data of their child and have it deleted at their request. They may also agree to collection and use of information, without consenting to disclosure to any other party. They may also refuse to permit any further collection or use of such information by sending us an email at support@mindme.net.

Otherwise, information collected from children in accordance with this clause is collected, used and if applicable, disclosed, in accordance with the general provisions of this Privacy Policy.

Article 13 - OPTING OUT OF TRANSMITTALS FROM US:

From time to time, we may send you informational or marketing communications related to our Website such as announcements or other information. If you wish to opt-out of such communications, you may contact the following email: optout@mindme.net. You may also click the opt-out link which will be provided at the bottom of any and all such communications.

Please be advised that even though you may opt-out of such communications, you may still receive information from us that is specifically about your use of our Website or about your account with us.

By providing any Personal Data to us, or by using our Website in any manner, you have created a commercial relationship with us. As such, you agree that any email sent from us or third-party affiliates, even unsolicited email, shall specifically not be considered SPAM, as that term is legally defined.

Article 14 - MODIFYING, DELETING, AND ACCESSING YOUR INFORMATION:

We believe you should have the ability to access and edit the Personally Identifiable Information that you have provided to us. If you wish to modify or delete any information we may have about you, or you wish to simply access any information we have about you, you may do so from your account settings page. You may also access and correct your personal information and privacy preferences by writing us at:

support@mindme.net

Cedar Park, TX 78630

Article 15 - ACCEPTANCE OF RISK:

By continuing to our Website in any manner, use the Product, you manifest your continuing asset to this Privacy Policy. You further acknowledge, agree, and accept that no transmission of information or data via the internet is not always completely secure, no matter what steps are taken. You acknowledge, agree, and accept that we do not guarantee or warrant the security of any information that you provide to us, and that you transmit such information at your own risk.

You are solely responsible for the materials that you share, transmit, or otherwise make available to us via submission. By making a submission, you agree that the transmit of information will not be protected in accordance with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). Once information has been received, we will store and manage all of your data in accordance with applicable regulatory requirements. You agree that you must evaluate, and bear all risks associated with your disclosure of any submission and storage of personal information.

Article 16 - YOUR RIGHTS:

You have many rights in relation to your Personal Data. Specifically, your rights are as follows:

- the right to be informed about the processing of your Personal Data
- the right to have access to your Personal Data
- the right to update and/or correct your Personal Data
- the right to portability of your Personal Data
- the right to oppose or limit the processing of your Personal Data/you may withdraw consent for the processing of your personal data at any time
